

2018

When Sita Sanon's father died suddenly, she, her sister and her brother were forced to leave school for lack of funds. Dr. Odile Pagezy, a member of our Board, recruited sponsors for them in France. Sita passed her baccalaureate exam in 2017. Odile proposed that we send her to nursing school. We agreed. Odile says that Sita's life has turned around.

*With Odile, left, we visited Sita's Mom.*
